SALE INFORMATION

DATE: November 7, 1970

TIME: Judging Contest, 10:00 A.M.; Sale 12 o'clock Noon
PLACE: Joplin Stockyards Sale Pavilion

TERMS: Cash. Anyone wishing to pay by check will establish their credit with the sale management before the beginning of the sale. In as much as many banks are closed on Saturday, a letter from your bank will be sufficient.

TO SELL: Shorthorn cows, calves, steers and bulls. Bulls must be registered. Anyone may consign one bull.

Anyone wishing to consign more than one bull must consign an equal number of females or steers. Unregistered she stock may sell provided it is purebred beef type Shorthorn and of sufficient quality. Cross bred calves may be sold provided that both parents were beef stock and that one parent was Shorthorn and that they are of sufficient quality. The Sale Committee will have the authority to determine whether or not animals meet the necessary qualifications to sell.

DEADLINE FOR ENTRIES: All entries should be made with Allen McReynolds, secretary of the Four State Shorthorn Association, Joplin Stockyards, Joplin, Missouri. A consignment fee of \$5.00 per head for pedigree livestock and \$1.00 per head for unregistered livestock must accompany the entries. If livestock is withdrawn from the sale, entry fee will be forfeited. Substitutions may be made. Deadline for cataloging pedigree livestock was September 19, 1970. Entries can be accepted up until sale time, but no entries received after the deadline date of September 22 can be cataloged. Pedigrees must accompany entries. Entry fee will be credited against sale costs.

HEALTH REQUIREMENTS: All females over 30 months of age must show a negative T.B. and Bangs test within 30 days of sale date. Females under 30 months but over 6 months of age must show either a certificate of official cal/hood vaccination or a negative Bangs test made within 30 days of the sale date. Either must have a negative T.B. test made within 30 days. An individual Health Certificate must accompany each consignment.

MANNER OF SALE: Sale order will be club calves, bulls, females, and steers. Club calves will be sold singly or grouped by ownership and the breeder of the cattle will be identified. The Sale Committee will determine the order of sale for the first 10 head of bulls and up to the first 20 head of females, the exact number to be at the discretion of the Sale Committee. The remainder of the bulls will sell by age, beginning with the oldest and going to the youngest. The remainder of the females will sell following the bulls in order of age, youngest selling first down to the oldest. Sale Committee reserves the right to change the order of the sale where such changes will be to benefit of the sale. Manner of sale, that is whether by the pound or by the head, is at the option of the consignor. Consignments may be combined at the option of the consignors affected. Title to the stock transfers at the time the auctioneer accepts the final bid.

SELLING CHARGES: Selling charges in past sales have varied from 3½% to 5½% depending on number of cattle, amount of advertising, etc. The fewer the cattle the higher the costs will run, of course. No expenditures will be made without the authorization of the Sale Committee. In case the Sale is called off, all entry fees will be refunded promptly. An additional fee of a minimum of \$8.00 in addition to the selling charges will be charged against registered stock. \$5.00 represents the transfer fee, now charged for at this rate by American Shorthorn Association. The additional part of this fee will be the actual cost of cataloging the pedigree animals, pro-rated. It should run about \$3.00.

PAYMENT: Consignors will be paid immediately after all sale expenses have been settled and all checks given in payment for the cattle have cleared.

LIABILITY: Although every precaution will be taken to protect your safety, neither this association nor its representatives nor the auctioneers or clerks, can assume any liability for accidents.

In case of any question arising from interpretation of the rules of the sale or from the sale, all disputes will be judged by the Sale Committee and their decision will be final.

GUARANTEE: The Standard Shorthorn Association Guarantee printed elsewhere in this catalog applies.

FOOTNOTES: Descriptive footnotes were written by consignors or information supplies by them.

PHONE CALLS: Any one attending the sale can be reached during the sale by calling (417) 623-9658.

AUCTIONEER: Wayne Ytell, Carthage, Missouri.

SALE MANAGER: Allen McReynolds, Joplin Stockyards.

FIELDMEN: Bruce Brooks, American Shorthorn Association, Larry North, Shorthorn World.

SPECIAL FEATURE

The contest will be under the direction of Don Ward, Vo-Ag Instructor, Neosho High School, and Dow Jenkins, Area Livestock Specialist, University of Missouri Extension Service.

Premiums will consist of credit on purchase of any registered female offered in the sale in the following amounts: (1st) \$50.00, (2nd) \$40.00, (3rd) \$30.00, (4th) \$20.00, and (5th) \$10.00.

4-STATE Shorthorn Association

Representing Breeders of Southwest Missouri, Northwest Arkansas, Northeast Oklahoma and Southeast Kansas

JOPLIN STOCKYARDS
JOPLIN, MISSOURI 64801
September 28, 1970.

Dear Shorthorn Friend,

The complete dispersion of the herd of registered Shorthorn cattle, owned by the late Dr. M. B. Willems, Neodasha, Kansas, is the outstanding feature of the tenth annual 4 State Shorthorn Association "Off the Grass" sale.

The good Doctor had been a member of the Association and consigned cattle to its sales over the years so it is with the sharp regret of personal acquaintance that we hear of his unexpected and untimely death.

Good Shorthorn cattle were one of the loves of Dr. Willems' life. You knew this by the way every conversation with him turned to the description of a favorite cow, a heifer just aquired, a calf just born or a bull just purchased. You knew this when you saw him at the sales, bidding on the tops. But it is the pedigrees of the cattle offered in this dispersion that brings into sharp focus how compelling was the drive in this man to have ~~the best~~ nothing but the best.

Because of help problems, the Doctor made a sharp reduction in his herd two years ago. This reduction left a herd too small to sustain a dispersion at the farm. Mrs. Willems, feeling that the cattle should be sold, has consigned them to this sale.

It is only in a dispersion of this kind that cattle of this quality can be purchased over the block. This means a rare buying opportunity for you!

This being a dispersion for the purpose of settling an estate, the cattle will sell, as is usual in these circumstances, without guarantee. However, breeding records have been kept and Mrs. Willems has assured me that every effort will be made to give the buyer complete and accurate information on each lot.

This is an opportunity to buy top Shorthorn cattle that you should not miss!

Sincerely,
Sale Manager

Remittall Vanguard 2nd is a large bull with lots of length and depth. His calves are very impressive. His full brother, Benedictus, had an outstanding record in Canada. Remittall Vanguard 2nd was the second high selling bull at the 1968 Remittall sale at \$2,150. One half interest, which provides for six months possession out of each year, will sell.

STANDARD GUARANTEE

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy bull or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller. Cows with calves at foot even though bred are not given any guarantee.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any other animal later substituted.
5. All animals are sold to comply with the laws regulating tuberculosis and Bangs disease of the state or country into which they may be shipped.
6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk or loss or injury after animal is bid off.
